- Typically the last plan to pay claims after a covered event
- Will not pay covered expenses to the extent paid by other insurance coverage
- Essentially pays for other plans' deductibles and coinsurance
- Also pays remaining expenses after benefits exhausted from other plans

The availability of primary and excess plans varies by coverage level. See the application for more details.

Medical Expense Benefit

If, as a result of injury, an insured incurs covered expenses starting within 90 days from the date of the accident causing the injury we will pay, less the deductible (if any) shown in the application and not to exceed the overall maximum benefit amount, all covered expenses incurred within 3 years from such date.

Covered expenses means the reasonable and customary charges for local ("local" not applicable in a CT contract) professional ambulance service to or from a hospital and/or surgical center as well as the following reasonable and customary charges for treatment, services, and supplies provided or prescribed by a doctor:

- (1) hospital or surgical center care;
- (2) medical treatment;
- (3) nursing care provided by a licensed nurse;
- (4) X-rays and lab exams;
- (5) prescription drugs and therapeutic services and supplies;
- (6) dental treatment as a result of injury to sound, natural teeth (natural teeth in SC);
- (7) the following licensed home health care agency services and supplies provided instead of an otherwise required hospital or skilled nursing home confinement:
 - (a) physical, occupational, respiratory, and speech therapy,
 - (b) the services of a home health aide, and
 - (c) medical supplies.

If excess medical has been elected, we will not pay benefits for, nor can this plan's deductible (if any) be satisfied by, covered expenses to the extent that they are collectible under certain other policies and/or health plans as stated in the policy.

Coverage is provided under policy form No. GR-9051-2.

Certain provisions of the policy are summarized in this brochure. All benefits are subject to the policy, which alone constitutes the agreement under which payments are made.

Death Benefit

If, as a result of injury, an insured dies within one year from the date of the accident causing the injury, we will pay the death benefit less any specific loss benefit paid because of the same accident. The one year limit does not apply in a PA or WV contract.

Specific Loss Benefit

If, as a result of injury, an insured suffers a specific loss within one year from the date of the accident causing the injury, we will pay:

Specific Loss	% of Face Amount
Each Arm	75%
Each Leg	75%
Each Hand	50%
Each Foot	50%
Sight of Each Eye	50%
Speech	50%
Hearing of Each Ear	25%
Thumb and Index Finger of Same Hand	25%

The total payment for all of the losses of an insured because of any one occurrence will not be more than the face amount shown in the application. The loss of the thumb and index finger of the same hand benefit will not be paid if the loss of the hand or arm benefit applies to the same limb. The loss of the hand or foot benefit will not be paid if the loss of the arm or leg benefit applies to the same limb.

Policy Exclusions & Limitations

We will not pay benefits for expenses incurred for:

- (1) the examination, prescription, purchase or fitting of eye-glasses, contact lenses, or hearing aids;
- (2) treatment by a person employed or retained by the plan sponsor or its subsidiaries or affiliates and for which no charge is normally made; or
- (3) care or treatment by a person who ordinarily lives in the insured's home or is a parent, grandparent, spouse, brother, sister, or child of either the insured or the insured's spouse (if a NJ contract, care or treatment furnished by a member of the insured's immediate family).

Nor will we pay benefits for loss or expenses resulting from:

- (4) intentional self-destruction or an attempt at it or intentional self-inflicted injury (if MO contract, while sane);
