Accidental and Specific Loss Benefits

If, as a result of a covered injury, you or one of your insured eligible dependents should die or suffer a specific loss within one year (not applicable to Loss of Life in WV or PA contracts) from the date of the accident causing the injury, we will pay a benefit as a percent of the “Face Amount” which applies as follows:

Specific Loss	% of Face Amount
Each Hand	50%
Each Foot	50%
Sight of Each Eye	50%
Speech	50%
Hearing of Each Ear	25%
Thumb and Index Finger of Same Hand	25%

The total payment of all the losses of any one insured person because of any one accident will not be more than the face amount which applies.

Policy Exclusions & Limitations

The policy does not pay benefits for loss resulting, in whole or in part (in whole or in part not applicable in a CA contract), from: intentional self-inflicted injury (if a MO contract, while sane); war; service in the armed forces; committing a felony; taking part in an illegal occupation (not applicable in a CT contract) or insurrection, sickness, disease, or bodily infirmity; or hallucinatory drugs (not applicable in an OR contract) or being intoxicated or under the influence of any controlled substance unless administered on the advice of a physician (if a CT, IL or MD contract, this exclusion applies only to alcoholism and drug addiction and, if a MN or OK contract, only to hallucinatory drugs and controlled substances).

Coverage is provided under policy form GR9020.

Certain provisions of the policy are summarized in this brochure. All benefits are subject to the policy, which alone constitutes the agreement under which payments are made. The expected benefit ratio for this policy is 55%.

THIS PRODUCT IS NOT AVAILABLE IN NJ, NY, AND PR.

Outline of Coverage

- Read the Policy Carefully**—This outline of coverage provides a very brief description of the important features of the policy. Please note that this outline is not intended to be a part of the insurance contract. Only the actual policy provisions are final and binding. The policy itself sets forth in detail your rights and obligations as well as those of the insurance company. It is, therefore, important that you **PLEASE READ THE POLICY CAREFULLY!**
- Accidental Death and Dismemberment Coverage**—Policies of this category are designed to provide, to persons insured, coverage for certain losses resulting from a covered accident ONLY, subject to any limitations contained in the policy. Coverage is not provided for basic hospital, basic medical-surgical or major medical expenses.
- Benefits**—Accidental Death and Specific Loss—If, as a result of injury, you or one of your insured eligible dependants should die or suffer a specific loss within one year from the date of the specified accident causing the injury (the one year limit is not applicable to the loss of life benefit in WV or PA policies), we will pay the following benefit(s) as a percent of the applicable “Face Amount” which applies as follows:

Specific Loss	% of Face Amount
Each Hand	50%
Each Foot	50%
Sight of Each Eye	50%
Speech	50%
Hearing of Each Ear	25%
Thumb and Index Finger of Same Hand	25%

The total payment for all of the losses of any one insured because of any one accident will not be more than the face amount which applies.

A “specified accident” is an accident which occurs while the insured is: (a) riding as a fare-paying passenger (not as a pilot, operator, crew member, inspector, or trainee); (1) of a commercial air carrier on a civilian helicopter or civilian multi-engine aircraft, each of which is operated under a license for the transportation of passengers for hire; or (2) on a bus, ocean liner, powerboat, streetcar, subway, taxicab, or train, each of which is operated under a license for the transportation of passengers for hire; (b) riding as a passenger (not as a pilot, crew member, inspector, or trainee) of the Military Airlift Command (MAC) of the United States or a similar air transport service of any other recognized country on a transport type aircraft, provided a person is permitted to fill a seat as a “space available” or “space required” passenger as assigned by a military passenger terminal; (c) driving or riding as a passenger in a private passenger automobile; or (d) a pedestrian and as such is struck by a motor vehicle commonly operated on the public highways.

Benefits payable as a result of specified accidents (c) or (d) above are reduced by 50% for an insured who is age 70 or older on the date such accident occurs.

(4) **Exclusions and Limitations on Benefits**—The policy does not cover loss resulting from: intentional self-inflicted injury; war or an act of war; service in the armed forces; committing a felony; taking part in an illegal occupation (not applicable in a CT contract) or an insurrection; sickness, disease, or bodily infirmity; or hallucinatory drugs (not applicable in OR contracts); or being intoxicated or under the influence of any controlled substance unless administered on the advice of a physician (if a CT or IL contract, this exclusion applies only to alcoholism or drug addiction unless the drug is administered on the advice of a physician. If in a MN or OK contract, this exclusion applies only to hallucinatory drugs and controlled substances unless administered on the advice of a physician).

(5) **Renewability and Continuation of Coverage**—We can decline to renew your policy only if we give you at least 60 days advance written notice of our intent to decline to renew all policies issued to persons in your state which have the same form number as yours. We will not decline to renew the contract based on an insured's deterioration of physical or mental health.

An insured's coverage will end on the first of these to occur: the premium due date coinciding with or next following the date he or she is no longer a dependent spouse or dependant child; the date the policy lapses due to a nonpayment of premium; or the date as of which we decline to renew the policy as set forth above.

(6) **Annual Premium**—\$_____.

We can change the premium rates as of a policy anniversary and then only if we also change the rates of all policies issued to persons in your state which have the same form number as yours (and, in FL, give a 45-day written advance notice). (Any change in premium rates in PA is subject to the approval of the Insurance Commissioner of the state in which you reside at the time of the change). There is a 31-day grace period for the payment of each premium (other than the first payment) falling due. This means that if the premium is not paid by the due date, it may be paid during the grace period.

NOTICE This disclosure statement highlights some of the important issues that often affect consumers. It is intended for your use whether you are purchasing accidental death and specific loss insurance for the first time or whether you are replacing or adding to your existing coverage.

Are You Considering Replacing Your Current Coverage?

Before you replace your current policy with another, you should review both policies in order to determine whether replacement is in your best interests.

The new coverage may be different in important respects. You should be aware of these differences, whether they are temporary or permanent. If you obtained your current policy from another agent or a representative of another company, be sure to ask that agent or representative any questions you may have about that policy.

Are You Considering Adding to Your Current Coverage?

Review Your Coverage.

Before you add new coverage to your current coverage, you should review both policies to ensure that you are not purchasing unnecessary coverage. If you obtained your current policy from another agent or a representative of another company, be sure to ask that agent or representative any questions you may have about that policy and the need for additional coverage.

Which Coverage Will Pay?

If coverage under the offered policy duplicates coverage under your current policy, the offered policy will, will not, pay if your current policy also pays. (NOTE: You should ask the agent or company representative who sold you your current policy whether your current policy will pay if the new policy pays.)

Questions? Ask for Help.

If you have any questions that are not answered by this disclosure statement, be sure to ask your agent or insurer representative.

Read Your Policy!

If you purchase the offered policy, read it carefully as soon as you receive it. Because it is an individual policy, you will have an opportunity to send it back and obtain a premium refund.

Fill Out Your Application Carefully!

Be sure to fill out all portions of your application completely and truthfully. If misstatements are made or information requested about your health are omitted from the application, the insurer may void the policy or deny your claims. If your age is misstated, the amounts payable on claims may be reduced.

We hope this disclosure statement will help you with your insurance purchase. However, please remember that the statement is not intended to be a part of the policy and that only the language of the policy issued by the insurer is final and binding.

How do you apply for coverage?

Complete ALL fields on the application. Be sure to sign and date where indicated. **We need to receive the completed application and premium payment BEFORE the desired policy effective date.**
